

Twisted Mitten Tours Waiver

Please check all below to confirm you have read and agree to the conditions and rules of being on the Twisted Mitten Tours Pedal Trolley.

1. I understand that no open containers of alcohol may be consumed anywhere but during our travels pedaling between stops and only while I am seated on the bike. If I step off the bike with alcohol, I know that it is likely that I will not be able to continue to pedal on the trolley as this becomes a situation of open intoxicants and I would risk the Twisted Mitten Tours Pedal Trolley ability to operate in the City of Mount Pleasant.
2. I will not physically put myself or others at risk by acting carelessly on the trolley (i.e. jumping off the bike while it is moving, refusing to stay seated on the seat, standing on the back bench seat to dance, shaking the bike, leaning off the bike backwards while in traffic)
3. I will respect other riders, road users, and pedestrians by not having a water or beer fight on the bike, throwing cans or leaving trash as we go down the street, and by not leaving any food on the trolley.
4. While in bars or on stops, I will be respectful of all wait staff, bartenders, and pedestrians.
5. I understand that verbal and or physical harassment, obscene hand gestures and displays of nudity of any type is inappropriate and will not be tolerated and will result in removal from the tour.
6. Any damage to the trolley caused by any passenger(s) will result in a damage penalty in the amount of the cost of repair plus cost of missed tours.
7. I understand that guests that show up visibly intoxicated or become overly intoxicated on the tour will forfeit their time on the Twisted Mitten Tours Pedal Trolley and will not be allowed back on the tour.
8. I understand that failure to obey any of the above rules will lead to the end of my tour immediately and may result in a fine that ranges from \$50 to \$2000.
9. To consume beer or any canned beverage the rider must be 21 years of age with a valid ID to prove it.
10. Alcohol is allowed on the trolley, but if you leave the bike seat and are standing next to the bike and drinking it is highly likely that the police will ticket and or fine you for open intoxicants. Additionally, there will be an immediate \$50 fine for each person on the bike that drinks while standing on the ground next to the bike.
11. I understand that I cannot take my beer into the bars/establishments with me.
12. All alcoholic beverages must remain on the bike at all times.
13. I understand that I will come back to the bike when the pilot signals it is time to go so that the tour stays on schedule.

14. I understand that under no circumstances can the group or its members individually decide to stay at a bar instead of pedaling back to the starting point of the tour. Each person that fails to exit a bar/establishment to return to the bike costs the booker's credit card \$50 per person.
15. I understand if my group "abandons" the bike that we will be charged up to \$2000 as a group.
16. I understand that if I become over intoxicated and I vomit during the tour, I will be charged up to \$2000 as the bike has to be chemically sanitized and will cease to operate that day. This cancels others tours!
17. I understand that operating the Twisted Mitten Tours Pedal Trolley is a potentially dangerous activity. I assume the risk that I may be injured and/or injure someone while using the Twisted Mitten Tours Pedal Trolley. I assume all risks associated with the use of the Twisted Mitten Tours Pedal Trolley and will not bring any action against Twisted Mitten Tours LLC and its successors and or assigns for personal injury, property loss, and or property damage. I further agree to release, indemnify and hold harmless the owners and manufacturers of the Twisted Mitten Tours Pedal Trolley from any liability against any and all claims, including damages and demands of third parties as a result of my use of the Twisted Mitten Tours Pedal Trolley.
18. The Twisted Mitten Tours Pedal Trolley is of proprietary manufacture, and I agree not to build or cause to be built any vehicle of same or similar construction.
